

Clementon School District

Parent Portal Acceptable Use Policy

The Clementon School District has developed the Parent Portal as a means to further promote educational excellence and to enhance communication with parents. The Portal allows parents to view their own child's school records anywhere, any time. In response for the privilege of accessing the CES Parent Portal, every parent is expected to act in a responsible, ethical and legal manner. The portal is available to every parent or guardian of a student enrolled. **If you requested your login information during the last school year, there is no need to re-apply. You may continue using the system for the new school year.**

Parents are required to adhere to the following guidelines:

1. Parents will not share their passwords with anyone, including their children.
2. Parents will not attempt to harm or destroy data of another user, school or district network, or the internet.
3. Parents will not use the Portal for any illegal activity, including violation of Data Privacy laws. Anyone found to be violating laws will be subject to Civil and /or Criminal prosecution.
4. Parents will not access data or any account owned by another parent.
5. Parents who identify a security problem with the Parent Portal must notify the Principal immediately.
6. Parents who are identified as a security risk to the Parent Portal will be denied access to the Parent Portal.

I have read the Parent Portal Acceptable Use Policy (including the User Guidelines enclosed), and I agree to abide by and support these rules. I understand that if I violate any term of this Acceptable Use Policy, that I may lose my privilege to use the Parent Portal, and may be liable for civil and/or criminal consequences.

Please sign and return to your child's homeroom teacher. The secure information will be mailed home to you.
