

**Mr. Albert Wagner**  
**Assistant Principal**

Welcome to the Assistant Principal Web Page. I am honored to have been selected for the position of assistant principal. Clementon Elementary is a learning community that requires the involvement of all of its constituents. It is through continued interaction that we can become Partners in Education, working toward the goal of providing the best possible educational opportunities for the students we serve.

After earning my BA from Temple University, I started teaching fourth grade in Winslow Township in 2000. In 2005, I earned my MA in Educational Leadership from St. Joseph's University. After seven rewarding years in Winslow Township, I moved to Deptford School District where I proudly served as an Instructional Support Coach at Monongahela Middle School. Today, as I look toward the future school year, I look to contribute to the enhancement of an already outstanding school district.

I look forward to making a difference in the lives of the students and people that I interact with on a daily basis. In addition, I recognize the importance of forging strong and trusting relationships within our school community. In order to continue student achievement, a total team effort is necessary.

Please feel free to contact me anytime at 856-783-2300 ext. 1010.
