

**Clementon Cafeteria**  
**NUTRI-SERVE FOOD MANAGEMENT, INC.**

2010/2011

Dear Parents:

Clementon Elementary School offers a Breakfast and Lunch program. Breakfast is served between 8:05 AM and 8:30 AM each morning. Lunch is served according to the classroom schedule.

**For Breakfast:**

Students will have a daily choice of the featured menu, cereal, or bagel. They will also have a choice of Milk: Whole, 1% White, Low Fat Chocolate, Low Fat Strawberry, or Skim; and juice: apple, orange, or fruit blend.

**For Lunch:**

Students will have a choice from a variety of entrees each day: Main Entrée, Alternate, Peanut Butter and Jelly, and Assorted Grab & Go's. They will also have a choice of milk, vegetable and fruit selections.

**Snacks:**

Ala Carte items are available to students daily. In an attempt to help students make "sensible snack choices", Nutri-Serve, includes foods that are baked, low fat, and single serve (one portion) items. Students buying and packing lunch will have the opportunity to purchase ala Carte items. Also, students may purchase additional Entrée, Vegetable, Fruit and Side items from the lunch menu. Milk, juice, snack, and additional item prices are noted on the monthly menu.

**Payment:**

The 2010-2011 student prices are **\$2.10** for paid lunches, \$0.40 for students eligible for a reduced price lunch, \$1.00 for paid breakfast, and \$.30 for reduced breakfast. Students have the option to pay for their lunch on a daily basis or prepay. **Prepayment is encouraged** as it saves time in the lunch line and minimizes "lost" money. Cash or checks for prepaid lunches, breakfasts and/or a la carte items are accepted daily. Simply, send your payment in an envelope marked with the student's full name, teacher's name, and the amount enclosed. To prevent students from purchasing snacks with money intended for Lunch, you may specify whether the money is for Lunch and /or Breakfast only.

**Student Accounts:**

All Clementon Elementary students will be enrolled into the school's Identi Metrics point of sale system. The students will simply scan their index finger at the register to pull up their account for cafeteria purchases. Parents may view the student's Cafeteria Account on line with the Parent Portal.

**Free and Reduced Applications:**

Please note, if your child received free or reduced price lunch/breakfast last year at CES, it will be automatically continued until the new application is completed and approved. An application **must** be completed and approved annually (by September 30<sup>th</sup>) or the full pay price will be charged beginning October 1<sup>st</sup>.

Looking forward to a good school year!

Mrs. Cathy Macaluso  
Food Service Director
