If your physician requires your child to take medication during the school year, four things are required:

- (1) A note from the doctor with the name of the medicine, the dose of the medicine, and the time medicine is to be given. The child's diagnosis should also be written on the note.
- (2) A note from the parent/guardian giving permission for the nurse to give the child medicine.
- (3) The medication must be in the original bottle.
- (4) Medication must be brought in by parent or guardian.

**The above requirements apply to prescription and over-the-counter medicines, (such as aspirin, Tylenol, cough syrup, etc.)**

**ALL OF THE ABOVE REQUIREMENTS ARE IN ACCORDANCE WITH NEW JERSEY STATE LAW, N.J.S.A. 18A:40.**
